To whom it concerns,

My name is Daniel Quismondo, I live at 18845 Bennington Rd. I was told by the street maintenance dept. to write to you with my issue. On Friday December 4th I was driving East on Bennington Rd from 204th St. I was pulling my 6x10 single axle trailer. A car passed me headed west and there is NO shoulder passed the white edge line. My passenger side tire went just passed the white edge line and hit a washout/pothole. I was traveling the posted speed. When I got home I realized I had a flat tire on the trailer. I removed the flat to find the tire blown, the rim bent badly, and the leaf springs on the axle broken. I have taken photos of the damages to my trailer, and the pothole/washout. The washout/pothole measured 2'x9'x14" deep. The estimated repairs are approx $500.00 . Please call me to remedy this situation. When I spoke to the County Street Maintenance dept the said they would come look at and repair the washouts along Bennington Rd. They were out doing that today. I would like to get my trailer fixed as well.

Sincerely,

Daniel Quismondo
