March 3, 2019

Chairman Rodgers and Douglas County Board of Commissioners,

Please receive this as your legislative report through Friday, March 1st. March 1st marked the 34th legislative day. The Legislature convenes on March 4th at 9:00 a.m. The committee and senator priority designations deadline is March 19th. Speaker priorities will be announced on March 20th. The Nebraska Economic Forecasting Advisory Board met on February 28th. The Board reduced the revenue forecast for 2018-19 by $80 million. They also projected a $30 million decrease for the next biennium. The Legislature will rely on the April forecast for the state budget.

Last week, the Legislature debated LB309 (Lathrop), increase the number of district court judges in Douglas County. There was extended debate from Senators La Grone and Lathrop. Eventually, the bill advanced from general file. On March 1st, the Legislature advanced LB103 (Linehan), change the procedure for setting a political subdivision's property tax request, from select file to final reading.

The public hearing on LR8CA (Linehan), constitutional amendment to limit the total amount of property tax revenue that may be raised by political subdivisions, was held on February 27th before the Revenue Committee. Proponents included Governor Rickets, Tax Commissioner Fulton, Lincoln Independent Business Association, Lincoln City Councilman Christensen, and others. Opponents included cities, school districts, NACO, NRD's, and others. It does not appear this constitutional amendment will advance.

The Government, Military, and Veterans Affairs Committee heard LB522 (Linehan), name and change the purpose of the County Civil Service Commission Act, change provisions relating to commission membership and duties, and provide for appointment of a human resources director, on February 28th. A special thanks to Patrick Bloomingdale and Commissioner Duda for testifying before the committee. Opponents included Ray Aranza, John Ewing, Denise Lickei, and Diane Battiato. We are working to advance the bill from committee.

The Appropriations Committee has scheduled the public hearing on March 6th for LB446 (McDonnell), state intent relating to appropriations for the County Justice Reinvestment Grant Program. In addition to Douglas County support, Lancaster and Sarpy Counties will be supporting as well. The Government, Military, and Veterans Affairs Committee will hold a public hearing on two bills of interest

on March 6th - LB211 (Crawford), provide for nonpartisan nomination and election of county officers; and, LB163 (Hunt), permit counties to conduct elections by mail.

March 8, 2019

Chairman Rodgers and Douglas County Board of Commissioners,

Please receive this as your legislative report through March 7, 2019. March 7th marked the 38th legislative day of this 90-day session. The Legislature will reconvene on March 12th at 9:00 a.m. Speaker priority requests are due March 14th prior to adjournment. March 19th is the deadline for committee and senator priority bills. The Speaker will announce speaker priorities on March 20th prior to adjournment.

The Appropriations Committee heard LB446 on March 6th. Proponents included Vicki Maca with Region 6, Kim Etherton with Lancaster County Corrections, Lancaster County Commissioner Deb Schorr, Sarpy County Commissioner Don Kelly, and Elaine Menzel with NACO. The hearing went very well. Obviously, with the budget situation, it will be difficult to get the entire $1 million requested. At the minimum, I expect the committee will make intent language changes. This should make the grant application process easier in the coming years.

The Government, Military, and Veterans Affairs Committee heard LB211 (Crawford), provide for nonpartisan nomination and election of county officers, on March 6th. The lone proponent was Civic Nebraska. There were no opponents. NACO was neutral. We do not anticipate this bill moving forward.

On Thursday, March 6th, the Legislature passed LB103e (Linehan), change the procedure for setting a political subdivision's property tax request. The vote was 47-0-2. LB309 (Lathrop), increase the number of district court judges in Douglas County, is on the March 12th agenda.

Several bills of interest next week. A complete hearing schedule is attached. The Revenue Committee will hear LB472 (Dorn), Adopt the Qualified Judgment Payment Act and authorize a sales and use tax, on Wednesday, March 13th.

Please let us know if you have any questions or concerns.
